President's Message

April 2018

March was a good month. The club made progress on several fronts.

At the front of my mind, we had a useful discussion at our first general meeting about how to use the money from the sale of the Palmer property. I will admit to fishing for direction from members.

After that, the club board had a special meeting and agreed three general areas of emphasis:

1. Improve the Pinedorado grounds;
2. A reserve fund that will grow over the years and serve as a resource for clubs of the future; and,
3. A list of things that make sense to spend money on now.

There are issues and ideas for all three that I plan to air at the club meeting on April 10th. Most important, how to divide the money between these, and what have we not considered. In the end, members will have the final say. Hopefully, we will have a good turnout. My hope is that this discussion will move us to the next step.

I will admit some disappointment at the second club meeting in March. We had a good turnout but there were notably few of the newer (and, younger) club members. District Governor Norm McDaniel and his wife Cyndee gave an inspiring presentation with an emphasis on change. This was *apropos* given the point our club is at. I know it can be difficult for folks with families and other obligations to attend, but we need your voices in a time of great consequence.

Finally, a proposed slate of officers and directors was presented March 27th.

There are two positions still without a candidate: **1st V.P. and Secretary.**

We will vote at the April 10th meeting.

Serving on the board takes effort but you will find it rewarding. This coming year will be a year of change for the club. Please consider stepping up and running for a position. We need everyone's energy. See you at the April 10th meeting.

Mike
