## President's Message

November, 2018

Congratulations is in order to all Cambria Lions. We had a fabulous Pinedorado.

The numbers suggest gross receipts, income after expenses and most other indicators were near an all-time high. Numerical results were announced at our October 9<sup>th</sup> meeting, and anyone interested in seeing these can talk to either Teri or me at the next meeting.

I will note that in addition to the money that came into the club to fund all we do, we gave out over \$10,000 to community organizations that helped us put on Pinedorado.

Beyond the numbers, I got many, many compliments from people in the community.

I suspect you may have heard from folks you know, as well. So, again I want to thank everyone who contributed their time and energy. As I suggested in my September message, we seem to have a pretty good idea how to put on this show. Pinedorado is truly the community centerpiece of Cambria's summer.

But now, the holidays are on us.

This means that we will have only two meetings during the remainder of the year.

November 13<sup>th</sup> will be our Thanksgiving meeting

December 11<sup>th</sup> will be our Christmas celebration.

As usual, the Cambria Chorale will be present at the December meeting to help us celebrate. I have some inside information that there will be some sing-alongs.

We will also welcome three new Lions at our November meeting: Jade Bodine, Jerrod Meichtry, and Jim Caver. I wanted to thank these new members for the patience they have shown to be inducted. Each has been to many meetings, and their memberships were approved by the board last month.

I would like to close by thanking Jim Wilson for many dedicated years as the Cambria Lions Insurance Coordinator. He has worked in the background to keep boards informed of insurance needs and options and generally to keep the club safe. Jim was also a past President and has served the club in so many other ways. Thank you, Jim.

John Nixon has kindly agreed to pick up this responsibility and immediately dove into the maze of needs and paperwork. I can guarantee we will be safely covered in John's capable hands.

Lastly, this will be my last President's message for 2018. We'll talk more on the other side of the Winter Solstice.

Mike
